POLY CLEANER

HIGH PERFORMANCE RESIN CLEANER

DESCRIPTION

POLYCLEANER™ is a high performance, VOC free, cleaner especially formulated by POLYMERES TECHNOLOGIES INC to easily clean residues of CHILL EPOXY™ products. With this unique formula you can clean effectively any spilling, or resin traces (epoxy, polyurethane, silicone) on your working surface, counter tops, floors, as well as on your dirty tools, spatulas or containers.

POLY CLEANER™ is an excellent alternative to solvent-based products such as alcohol, acetone, petroleum, white spirit or any harmful chemicals.

CHARACTERISTICS

- High performance resin cleaner
- VOC free
- Fresh odor
- Alternative to solvent
- Ideal to clean and degrease in one step.
- Ideal for epoxy, polyurethane and silicone

GENERAL USE OF DIRECTIONS

Wear disposable gloves and goggles.

POLY CLEANER™ can be used on: Working surface, Floors, Tools, Wood surface.

Apply the POLY CLEANER™ on a clean cloth and wipe the stained area. If the resin is almost or totally polymerized, soak your clean clothe of the POLY CLEANER™ on the stained area and leave it there for 24 hours at 22°C. After this period, use a metal spatula and scrape the resin residue. If required, redo the procedure. When done, always wipe the surface with a dry and clean cloth to get rid of any POLY CLEANER™ residue.

PHYSICAL characteristics

Density	1.01 g/cm ³
Storage	In a cool dry, well-ventilated area, at 22°C.
VOC	0

PRECAUTIONS

- **FOR INDUSTRIAL USE ONLY.** Keep out of reach of children. Avoid direct contact with the product, wear gloves and goggles.
- It is not recommended to apply the POLY CLEANER™ on ABS, PVC, styrene or other similar plastic surface. Always test the product on a sample.
- **SHELF LIFE:** The shelf life on POLYMÈRES TECHNOLOGIES products begins from the date of invoice for that product shipment. POLYMÈRE's shelf life only pertains to containers that are unopened and in their original condition.
- Once the container is opened POLYMÈRES TECHNOLOGIES has no control or responsibility on the shelf life.
- It is recommended to follow Provincial and Federal safety regulations. In case of eye contact, rinse well with water, in case of skin contact, rinse with soap and water.

GUARANTEE

Seller makes no warranty of any kind, express or implied, as to the merchantability, fitness for any particular purpose, or any other matter with respect to the POLY CLEANER™. Since conditions of use are beyond seller's control, buyer assumes all risk of use of this product. Under no circumstances will seller be liable for consequential or incidental damages arising out of the use of this product. Seller's sole obligation shall be to replace the product if found to be defective. It is the user's responsibility to determine the suitability for use of this product under the conditions present at the time of application.
